STUNNING NEW TRACK FREE OUT NOW

by Beth

ARTIST, SINGER, SONGWRITER, ACTRESS

*Singing is like
breathing to me.....
I have to do it!*

Beth
Free

Equating singing to breathing is completely reasonable, when it's coming from Beth Griffith-Manley, singer, songwriter, actress and daughter of Johnny Griffith, the legendary and Multi-Grammy® Award-winning pianist/keyboardist. He was an original member of the Funk Brothers, Motown's in-house studio band that created the famous 'Motown Sound.'
