

BRYAN RAY RUIZ, TRANSFORMING LIVES WITH THE HEALING POWER OF CANNABIS

I had the privilege of meeting Bryan Ray Ruiz, Founder of Central Cali CareGivers, a medical cannabis company in California, at a Pre-Oscar Gifting Suite Event in March in Los Angeles.

I was drawn to Bryan's larger than life personality, which was obviously driven by his heart-felt passion and intuitive wisdom to support and help people deal with health issues. His smile and sincere depth of wisdom and knowledge that exuded from his eyes (they say the eyes are the windows to the soul) spoke volumes about why he does what he does and that simply is – to reach out to touch, heal, transform lives.

Much of this drive stemmed from losing a grandmother many years ago, who stopped breathing in the middle of the night and suddenly passed away. This was caused by the effects of long-term drug prescription use to combat health issues that caused her immune system to fail leading to her untimely death. His drive also stemmed from working with an aunt who had breast cancer. The effects of conventional treatment on his
